Email orderdesk@agricover.com

Mail PO BOX 508

Jamestown, ND 58402

- IMPORTANT:**
- Manual crank handle will not work on air systems with rear manifold distributor.
 - Manual crank handle will work on most spinner spreaders.
 - AirMax/Loral may need an extension so tarp will roll over far enough to seal, boom rests may need minor modification to clear.
 - Ag Chem Spreaders with inside granular bins require a special rear cap, set back 6".
 - Loral units with rear granular attachment utilize same front and rear cap.
