**WARNING:**

**NOTE:** Recommended for SNOWSPORT® Utility Plows without SNOWSPORT™ Electric Plow Winch.

**▲ WARNING:** Do not apply down pressure when stacking snow or damage to vehicle may occur.

**▲ CAUTION:** Excessive down pressure may cause damage to surfaces and wear on rubber cutting edge.

**SAFETY INFORMATION**

- Always follow safety information in SNOWSPORT® Utility Plow standard instructions

## HOLD DOWN STRAP INSTRUCTIONS

## HOLD DOWN STRAP

- Assists in removal of hard, compact snow
- Quick and easy to install

Reorder #60220

# INSTALLATION

**IMPORTANT:** Before installing and using strap, deburr any sharp edges along identified areas where strap touches.

**NOTE:** Ensure protective orange vinyl on strap faces down against deburred edges.

1. Insert pin through keyhole in push frame and strap loop.  
2. Run strap behind and under push frame, then up through blade hinge.

3. Continue across and down through opposite hinge, then under and behind push frame.

4. Insert pin through keyhole and strap loop, set strap tension as needed using buckle.
